To,
The Director/Principal,
All Affiliated Training Centers/Institutions,
Lal Bahadur Shastri Paramedical Skill and Training Council.

Subject: Final Warning regarding Zero (0) Admission Process for Academic Session 2025-26.

Dear Sir/Madam,

With reference to the subject cited above, it has come to the notice of the Council that your institution has **not registered a single student admission** on the Council's portal for the current Academic Session 2025-26 to date. Despite repeated instructions and timelines set by the Council, the negligence shown by your institution towards the admission process is extremely serious and regrettable. The primary objective of the institution's affiliation is to provide skill training to students, and if the institution is not conducting admissions, there appears to be no justification for continuing the affiliation.

Therefore, this "Show Cause" cum "Final Warning Letter" is hereby issued to you, directing you to:

1. Start the pending admission process immediately within 7 days from the receipt of this letter.
2. Ensure the registration of eligible students on the Council's portal.
3. If there is any specific reason for non-admission in your institution, submit a written explanation with evidence to the Council office.

WARNING: If satisfactory admission numbers are not recorded by your institution within the stipulated time frame, the Lal Bahadur Shastri Paramedical Skill and Training Council will be compelled to take the following disciplinary actions:

- The recognition/affiliation of your institution will be suspended or cancelled with immediate effect.
- Any form of academic cooperation will be barred in the future.
- The name of the institution will be removed from the Council's website and placed in the 'Inactive List'.

Please treat this as urgent and ensure immediate compliance.
